## Trump Calls Oakland Mayor Libby Schaaf a "Disgrace"

THE MERCURY NEWS 3/8/18

**When Donald Trump attacked Oakland, Libby Schaaf stood up.**

As a result, Trump and his Attorney General Jeff Sessions have retaliated by threatening to prosecute Libby – yet Libby refuses to back down.

As Mayor, Libby will continue to stand up to Trump to protect our immigrant community and stand up for our Oakland values – even in the face of persecution and prosecution.
